# STRATEGIC POLICY HIGHLIGHTS

*A smart move homeowners and families  
can't afford to miss.*

If you were to pass away suddenly, do you know what would happen with your family's finances? This is an important question to consider when purchasing a home. Most homeowners are aware that home insurance is a necessity, but many forget the significance of life insurance and the positive impact it can have on your family.

**During the month of July leave us a Google review to be entered to win a \$100 gift card to W.W. Greenhouses**
